

What goes in the recycling bin?

Items for recycling should be rinsed, clean and empty, with no lids.

- Glass bottles and jars (no lids)
- Paper (not shredded)
- Flattened cardboard
- Aluminium and steel cans
- Plastic bottles and containers (no lids)

What goes in the FOGO bin?

If it didn't live or grow, it's not FOGO!
If in doubt, leave it out.

- Food scraps, bones, shells
- Tea bags, coffee grounds, used tissues
- Food-soiled paper towel and cardboard
- Compostable liners, shredded paper
- Dog poo, kitty litter
- Lawn clippings, weeds, prunings

What goes in the general waste bin?

Items that can't be composted or recycled.
Items placed in this bin will get sent to landfill.

- Polystyrene, soft plastic
- Nappies, hygiene products
- Long-life milk cartons
- Disposable coffee cups
- Coffee pods
- Old clothing

Visit recycleright.wa.gov.au, or download the handy Recycle Right app, for a full list of what should go into each bin, and where to dispose of hazardous and electronic waste.
