

PEDESTRIAN CROSSINGS REQUESTS																
CITY OF BAYSWATER: SAFE ROUTES TO SCHOOL IMPLEMENTATION PLAN																
Maylands Peninsula Primary School (as at April 2023)																
Item No.	Location	Request	Asset Category	Expenditure Type	Type of Works Request	Number of Requests	Third Party Approval Required	Potential Funding Source	Priority	Status	Draft Implementation Schedule					Notes
											2022/23	Year 1	Year 2-5	Year 6-10	Year 10+	
65	Guildford Rd	Provision of a crossing across Guildford Road near Darby Street with the appropriate ramps and median storage	Traffic Management Devices	New	New Crossing	16	Yes	Municipal	High	In Progress	●	●				The City is currently gathering required information to build a business case to present to MRWA for the provision of a signalised crossing. Implementation of a crossing is subject to Main Roads Approval
66	Caledonian Av	Provision of a raised zebra crossing on Caledonian Av near Joseph Street for a safer crossing and traffic calming	Traffic Management Devices	New	New Crossing	6	Yes	Municipal	High	Not Started		●				Pedestrian priority crossings are subject to Main Roads approval considering speed, traffic gaps, pedestrian demand and traffic volume. Other forms of traffic calming may be considered as part of LCURS subject to consultation and funding
67	Kelvin St and Mephan St	Provision of a crossing at the Kelvin Street and Mephan Street intersection	Traffic Management Devices	New	New Crossing	4	Yes	Municipal	Medium	Not Started			●			
68	Kelvin St	Provision of zebra crossing on Kelvin Street near Queen Street	Traffic Management Devices	New	New Crossing	1	Yes	Municipal	Low	Not Started				●		
69	Kelvin St	Provision of pedestrian priority at the existing crossing adjacent to the school	Traffic Management Devices	Upgrade	Crossing Upgrade	6	Yes	Municipal	High	Completed	●					The crossing adjacent to the school access has been converted to a wombat crossing giving priority to the children
70	Peninsula Rd	Provision of a pedestrian priority crossing near Richard St	Traffic Management Devices	New	New Crossing	3	Yes	Municipal	Medium	Not Started			●			Pedestrian priority crossings are subject to Main Roads approval considering speed, traffic gaps, pedestrian demand and traffic volume. Other forms of traffic calming may be considered as part of LCURS subject to consultation and funding
71	Peninsula Rd	Provision of a pedestrian priority crossing near the East St roundabout	Traffic Management Devices	New	New Crossing	2	Yes	Municipal	Medium	Not Started			●			
72	Caledonian Av and Susan St	Provision of a pedestrian priority crossing or wide central pedestrian refuge islands to enable a safe crossing	Traffic Management Devices	New	New Crossing	7	Yes	Municipal	High	Not Started		●				
73	Queen St	Provision of a crossing near Gibbney Reserve	Traffic Management Devices	New	New Crossing	1	Yes	Municipal	Low	Not Started				●		
74	Kelvin St	Provision of a warden crossing near Susan St	Traffic Management Devices	New	New Crossing	2	Yes	Nil	Medium	Not City's Project						Children warden crossings are provided by the WA Police. Any applications for a new crossing must be made by either the School Principal, or President/ Secretary/ Chair of a recognised school/parent organisation, for example P&C or P&F. The City cannot submit applications for warden crossings on behalf of the school, however, the City is willing to support the application and assist in determining a suitable location.
75	East St	Provision of a pedestrian priority crossing near Falkirk Avenue	Traffic Management Devices	New	New Crossing	1	Yes	LCURS*	Low	Not Started		●				A dedicated crossing may not be warranted, however, there may be an opportunity to reduce traffic speed in the area through other traffic calming devices
76	Falkirk Av	Provision of a pedestrian crossing near the Coles crossover	Traffic Management Devices	New	New Crossing	1	Yes	LCURS*	Low	Not Started		●				
77	Ninth Av	Provision of a safe crossing between Guildford Rd and East St	Traffic Management Devices	New	New Crossing	2	Yes	LCURS*	Medium	Not Started		●				

NEW FOOTPATH REQUESTS																
CITY OF BAYSWATER: SAFE ROUTES TO SCHOOL IMPLEMENTATION PLAN																
Maylands Peninsula Primary School (as at April 2023)																
Item No.	Location	Request	Asset Category	Expenditure Type	Type of Works Request	Number of Requests	Third Party Approval Required	Potential Funding Source	Priority	Status	Draft Implementation Schedule					Notes
											2022/23	Year 1	Year 2-5	Year 6-10	Year 10+	
19	Mephan St	Provision of a footpath on the southern side of Mephan Street	Pathways	New	New Footpath	13	No	Municipal	High	Not Started		●				A footpath from Ferguson ST to Kelvin St has been included in the 2023/24 Service plan subject to approvals
20	Darby St	Provision of footpath between Wholley Street and Goldmead Street	Pathways	New	New Footpath	1	No	Municipal	low	Not Started					●	
21	Gilbert St	Provision of a second path between Garratt Road and Rosher Pl	Pathways	New	New Footpath	5	No	Municipal	Medium	Not Started			●			Dependent on footpath priorities elsewhere within the City. Local Distributor and District Distributor roads have higher priority than Access Roads. Depending on the need, the priority to construct a footpath on roads that have none existing over those that have a footpath on one side of the road.
22	Traylen Rd	Provision of a second path	Pathways	New	New Footpath	3	No	Municipal	Medium	Not Started			●			
23	Queen St	Provision of a second path between Traylen Rd and Snell St	Pathways	New	New Footpath	1	No	Municipal	low	Not Started				●		
24	Kathleen Av	Provision of a second path	Pathways	New	New Footpath	1	No	Municipal	low	Not Started				●		
25	Joseph St	Provision of a second path on the other side of the road	Pathways	New	New Footpath	3	No	Municipal	Medium	Not Started			●			Dependent on footpath priorities elsewhere within the City. Local Distributor and District Distributor roads have higher priority than Access Roads. Depending on the need, the priority to construct a footpath on roads that have none existing over those that have a footpath on one side of the road.
26	Richard St	Provision of a second path	Pathways	New	New Footpath	1	No	Municipal	low	Not Started				●		
27	Hillside Cr	Provision of a second path	Pathways	New	New Footpath	1	No	Municipal	low	Not Started				●		
28	Hubert St	Provision of a second path	Pathways	New	New Footpath	3	No	Municipal	Medium	Not Started			●			
29	Susan St	Provision of a second path	Pathways	New	New Footpath	2	No	Municipal	Medium	Not Started			●			Dependent on footpath priorities elsewhere within the City. Local Distributor and District Distributor roads have higher priority than Access Roads. Depending on the need, the priority to construct a footpath on roads that have none existing over those that have a footpath on one side of the road.
30	Hillside Cr	Extension of the existing footpath to the De Lacy Reserve	Pathways	New	New Footpath	1	No	Municipal	low	Not Started					●	
31	Peninsula Rd	Provision of a second path between Fogerthorpe and Swan Bank	Pathways	New	New Footpath	1	No	Municipal	Low	Not Started					●	
32	Wall St	Provision of a second path	Pathways	New	New Footpath	1	No	Municipal	Low	Not Started					●	

NEW FOOTPATH REQUESTS																
CITY OF BAYSWATER: SAFE ROUTES TO SCHOOL IMPLEMENTATION PLAN																
Maylands Peninsula Primary School (as at April 2023)																
Item No.	Location	Request	Asset Category	Expenditure Type	Type of Works Request	Number of Requests	Third Party Approval Required	Potential Funding Source	Priority	Status	Draft Implementation Schedule					Notes
											2022/23	Year 1	Year 2-5	Year 6-10	Year 10+	
33	Swan View Tce	Provision of a second path between Wall St and Hillside Cr	Pathways	New	New Footpath	1	No	Municipal	Low	Not Started					•	
34	De Lacy Reserve	Extension of footpath to go around the reserve	Pathways	New	New Footpath	2	No	Municipal	Medium	Not Started			•			Dependent on footpath priorities elsewhere within the City. Local Distributor and District Distributor roads have higher priority than Access Roads. Depending on the need, the priority to construct a footpath on roads that have none existing over those that have a footpath on one side of the road.
35	Peninsula Rd	Provision of new path connectivity in the verge adjacent to Central Av	Pathways	New	New Footpath	1	No	Municipal	Low	Not Started				•		
36	Gibbney Reserve	Extension of footpath to connect to the school	Pathways	New	New Footpath	2	No	Municipal	Medium	Not Started			•			Dependent on footpath priorities elsewhere within the City. Local Distributor and District Distributor roads have higher priority than Access Roads. Depending on the need, the priority to construct a footpath on roads that have none existing over those that have a footpath on one side of the road.

NEW PATH REQUESTS																
CITY OF BAYSWATER: SAFE ROUTES TO SCHOOL IMPLEMENTATION PLAN																
Maylands Peninsula Primary School (as at April 2023)																
Item No.	Location	Request	Asset Category	Expenditure Type	Type of Works Request	Number of Requests	Third Party Approval Required	Potential Funding Source	Priority	Status	Draft Implementation Schedule					Notes
											2022/23	Year 1	Year 2-5	Year 6-10	Year 10+	
81	Swan View Tce	Provision of a dedicated on road bike lane			New Path	1	Yes	Municipal	Low	Not Started					•	
82	Eighth Av	Provision of a dedicated bike lane from the train station to East St			New Path	1	Yes	Municipal	Low	Not Started					•	
83	Caledonian Av	Provision of a dedicated bike lane along the road			New Path	2	Yes	Municipal	Medium	Not Started				•		
84	Kelvin St	Provision of a dedicated bike lane along the road from Mephan St to the school			New Path	2	Yes	Municipal	Medium	Not Started				•		
85	East St	Provision of a dedicated bike lane along the road from Mephan St to the school			New Path	1	Yes	Municipal	Low	Not Started					•	

PARKING REQUESTS																
CITY OF BAYSWATER: SAFE ROUTES TO SCHOOL IMPLEMENTATION PLAN																
Maylands Peninsula Primary School (as at April 2023)																
Item No.	Location	Request	Asset Category	Expenditure Type	Type of Works	Number of Requests	Third Party Approval	Potential Funding	Priority	Status	Draft Implementation Schedule					Notes
											2022/23	Year 1	Year 2-5	Year 6-10	Year 10+	
130	Kelvin St	Provision of frequent enforcement to deter illegal parking	Enforcement	Maintenance	Parking	5	No	Nil	Medium	In Progress	●					City Rangers monitor parking in the area from time to time and are available on a call basis following community and resident feedback
131	Kathleen Av	Provision of frequent enforcement to deter illegal parking	Enforcement	Maintenance	Parking	3	No	Nil	Medium	In Progress	●					
132	Hillside Cr	Provision of frequent enforcement to deter illegal parking	Enforcement	Maintenance	Parking	1	No	Nil	low	In Progress	●					
133	Hillside Cr	Provision of frequent enforcement to deter illegal parking	Enforcement	Maintenance	Parking	1	No	Nil	low	In Progress	●					
134	Caledonian Av	Provision of parking on one side of the street between East St and Mephan St			Parking	1	No	Municipal	Low	Cancelled						Due to the vertical alignment of the road, on street parking cannot be accommodates as it will result in sight line obstruction and may result in compromising the safety of pedestrians and motorists

PATH MAINTENANCE REQUESTS																
CITY OF BAYSWATER: SAFE ROUTES TO SCHOOL IMPLEMENTATION PLAN																
Maylands Peninsula Primary School (as at April 2023)																
Item No.	Location	Request	Asset Category	Expenditure Type	Type of Works Request	Number of Requests	Third Party Approval Required	Potential Funding Source	Priority	Status	Draft Implementation Schedule					Notes
											2022/23	Year 1	Year 2-5	Year 6-10	Year 10+	
37	Joseph St	Improve path condition along Joseph Street near Sarah Street to eliminate any tripping hazards	Pathways	Maintenance	Path Maintenance	1	No	Municipal	low	Completed	●					Completed in October 2022
38	Mephan St	Improve path condition along the northern side of Mephan St to eliminate any tripping hazards	Pathways	Maintenance	Path Maintenance	1	No	Municipal	low	Completed	●					
39	Kathleen Av	Improve existing path condition to eliminate any hazards	Pathways	Maintenance	Path Maintenance	1	No	Municipal	low	Completed	●					
40	Traylen Rd	Improve existing path condition to eliminate any hazards	Pathways	Maintenance	Path Maintenance	1	No	Municipal	Low	Completed	●					
41	Queen St	Upgrade of the pedestrian ramps near Gibbney Reserve	Pathways	Upgrade	Path Maintenance	3	No	Municipal	Medium	Not Started		●				Brought into year 1 as low cost work can be accommodated under maintenance programs
42	Swan View Tce	Upgrade of the pedestrian ramps near Richard St	Pathways	Upgrade	Path Maintenance	2	No	Municipal	Medium	Not Started		●				
43	Queen St	Provision of path priority at the Gibbney Reserve crossover	Pathways	Upgrade	Path Maintenance	2	No	Municipal	Medium	Not Started			●			
44	Falkirk Av	Provision of a continuous footpath across crossovers	Pathways	Upgrade	Path Maintenance	1	No	Municipal	Low	Not Started					●	
45	Kelvin St	Provision of a continuous footpath across crossovers	Pathways	Upgrade	Path Maintenance	1	No	Municipal	Low	Not Started					●

											2022/23	Year 1	Year 2-5	Year 6-10	Year 10+	
55	Peninsula Rd	Widening of footpath along Peninsula Road	Pathways	Upgrade	Path Widening	1	No	Municipal	low	Not Started					•	
56	Gilbert St	Widening of existing footapth between Garratt Road and Rosher Place	Pathways	Upgrade	Path Widening	2	No	Municipal	Medium	Not Started				•		Dependent on footpath priorities elsewhere within the City.
57	Queen St	Widening of existing footpath with pedestrian priority	Pathways	Upgrade	Path Widening	4	No	Municipal	Medium	Not Started				•		
58	Kathleen Av	Widening of existing footpath	Pathways	Upgrade	Path Widening	2	No	Municipal	Medium	Not Started				•		
59	Joseph St	Widening of existing footpath	Pathways	Upgrade	Path Widening	2	No	Municipal	Medium	Not Started				•		
60	Susan St	Widening of existing footapth	Pathways	Upgrade	Path Widening	4	No	Municipal	Medium	Not Started				•		
61	Peninsula Rd	Provision of a wider footpath near the Guildford Rd end	Pathways	Upgrade	Path Widening	1	No	Municipal	Low	Not Started					•	
62	Mephan St	Provision of a wider footpath on the approach to the school from Caledonian Av	Pathways	Upgrade	Path Widening	4	No	Municipal	Medium	Not Started				•		Dependent on footpath priorities elsewhere within the City.
63	Caledonian Av	Provision of a wider footpath between East St and Mephan St	Pathways	Upgrade	Path Widening	1	No	Municipal	Low	Not Started					•	
64	Ferguson St	Provision of a wider footpath between Sherwod St and Mephan St	Pathways	Upgrade	Path Widening	1	No	Municipal	Low	Not Started					•	

TRAFFIC CALMING DEVICES REQUESTS																
CITY OF BAYSWATER: SAFE ROUTES TO SCHOOL IMPLEMENTATION PLAN																
Maylands Peninsula Primary School (as at April 2023)																
Item No.	Location	Request	Asset Category	Expenditure Type	Type of Works Request	Number of Requests	Third Party Approval Required	Potential Funding Source	Priority	Status	Draft Implementation Schedule					Notes
											2022/23	Year 1	Year 2-5	Year 6-10	Year 10+	
86	Susan St	Provision of Traffic calming measures or speed reduction during school hours along Susan Street	Traffic Management Devices	New	Traffic Calming	2	Yes	LCURS*	Medium	Not Started		●				School zone speed reduction may not be warranted according to MRWA Speed zoning facility as the road does not have a frontage to the school. Traffic calming measures will be considered as part of LCURS subject to consultation and funding.
87	Darby St	Provision of traffic calming measures or speed reduction during school hours along Darby Street	Traffic Management Devices	New	Traffic Calming	1	Yes	LCURS*	low	Not Started		●				Extension of school zone speed reduction may not be warranted according to MRWA Speed zoning facility as the road does not have a frontage to the school. Traffic calming measures will be considered as part of LCURS subject to consultation and funding.
88	Peninsula Rd	Provision of traffic calming measures along Peninsula Road near East Street to increase awareness of shared zone and provide safer children crossings	Traffic Management Devices	New	Traffic Calming	2	Yes	LCURS*	Medium	Not Started		●				Stage 1 engagement scheduled for May 2023
89	Kelvin St and Stone St	Provision of traffic calming measure at the Kelvin Street and Stone Street interesection and consideration of a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	1	Yes	LCURS*	low	Not Started		●				
90	Kelvin St and Mephan St	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	6	Yes	LCURS*	High	Not Started		●				
91	Darby St and Mephan St and Rosher PI	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	3	Yes	LCURS*	Medium	Not Started		●				
92	Mephan St and Rupert St	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	1	Yes	LCURS*	low	Not Started		●				Stage 1 engagement scheduled for May 2023
93	Mephan St and Ferguson St	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	4	Yes	LCURS*	Medium	Not Started		●				
94	Mephan St	Provision of traffic calming measures	Traffic Management Devices	New	Traffic Calming	1	Yes	LCURS*	low	Not Started		●				
95	Gilbert St and Rosher PI	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	2	Yes	LCURS*	Medium	Not Started		●				Stage 1 engagement scheduled for May 2023
96	Queen St and Traylen Rd	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	3	Yes	LCURS*	Medium	Not Started		●				
97	Kathleen Av and Mt Prospect	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	3	Yes	LCURS*	Medium	Not Started		●				
98	Joseph St and Hubert Rd	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	2	Yes	LCURS*	Medium	Not Started		●				Stage 1 engagement scheduled for May 2023
99	Joseph St and Sarah St	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	1	Yes	LCURS*	low	Not Started		●				
100	Joseph St and Falkirk Av	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	3	Yes	LCURS*	Medium	Not Started		●				
101	Caledonian Av and Joseph St	Provision of traffic calming measures on the approach to the roundabout	Traffic Management Devices	New	Traffic Calming	6	Yes	LCURS*	High	Not Started		●				Stage 1 engagement scheduled for May 2023
102	Peninsula Rd and Richard St	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	2	Yes	LCURS*	Medium	Not Started		●				

TRAFFIC CALMING DEVICES REQUESTS																
CITY OF BAYSWATER: SAFE ROUTES TO SCHOOL IMPLEMENTATION PLAN																
Maylands Peninsula Primary School (as at April 2023)																
Item No.	Location	Request	Asset Category	Expenditure Type	Type of Works Request	Number of Requests	Third Party Approval Required	Potential Funding Source	Priority	Status	Draft Implementation Schedule					Notes
											2022/23	Year 1	Year 2-5	Year 6-10	Year 10+	
103	Hubert St and Susan St	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	1	Yes	LCURS*	low	Not Started		●				Stage 1 engagement scheduled for May 2023
104	Swan View Tce	Provision of traffic calming measures to deter rat running through the street	Traffic Management Devices	New	Traffic Calming	2	Yes	LCURS*	Medium	Not Started		●				
105	Richard St and Swan View Tce	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	3	Yes	LCURS*	Medium	Not Started		●				
106	Caledonian Av and Swan View Tce	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	1	Yes	LCURS*	Low	Not Started		●				
107	Seventh Av and East Street	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	2	Yes	LCURS*	Medium	Not Started		●				Stage 1 engagement scheduled for May 2023
108	East St	Provision of traffic calming devices to deter rat running through the area	Traffic Management Devices	New	Traffic Calming	2	Yes	LCURS*	Medium	Not Started		●				
109	East St and Ninth Av	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	1	Yes	LCURS*	Low	Not Started		●				
110	East St and Falkirk Av	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	2	Yes	LCURS*	Medium	Not Started		●				Stage 1 engagement scheduled for May 2023
111	Falkirk Av and Mt Prospect Cr	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	5	Yes	LCURS*	Medium	Not Started		●				
112	East St and Caledonian Av	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	1	Yes	LCURS*	Low	Not Started		●				
113	Caledonian Av and Mt Prospect Cr	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	1	Yes	LCURS*	Low	Not Started		●				Stage 1 engagement scheduled for May 2023
114	Kelvin St and Swan View Tce	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	Upgrade	Traffic Calming	1	Yes	LCURS*	Low	Not Started		●				
115	Caledonian Av	Provision of traffic calming devices	Traffic Management Devices	New	Traffic Calming	1	Yes	LCURS*	Low	Not Started		●				
116	Kelvin St	Extension of the existing 40km/hr school zone to south of Queen St	Traffic Management Devices	New	Traffic Calming	2	Yes	LCURS*	Medium	Not Started		●				The matter was raised with Main Roads who advised that extension of school zone speed reduction is not warranted as the signage is already at the furthest possible distance from the school. Traffic calming measures will be considered as part of LCURS subject to consultation and funding.
117	Queen St	Upgrade of the existing traffic calming devices to slow vehicles down as they seem to be ineffective for general traffic	Traffic Management Devices	Upgrade	Traffic Calming	5	Yes	LCURS*	Medium	Not Started		●				Stage 1 engagement scheduled for May 2023
118	McGann St	Provision of traffic calming devices to deter rat running through the area	Traffic Management Devices	New	Traffic Calming	1	Yes	LCURS*	Low	Not Started		●				
119	Gilbert St and Traylen Rd	Provision of a narrowed intersection to reduce speed and provide a safer crossing	Traffic Management Devices	New	Traffic Calming	1	Yes	LCURS*	Low	Not Started		●				
120	Mephan St	Reduction of the speed limit to 30km/hr	Traffic Management Devices	Upgrade	Traffic Calming	1	Yes	LCURS*	Low	Not Started		●				Speed reduction is under the authorisation of Main Roads and is only considered when other traffic calming devices are deemed ineffective.
