ECM Document Set ID	4469440

Purpose

The City has a key role in supporting our community to feel safe and secure.

The City will deploy, operate and manage its CCTV systems in accordance with the City's CCTV Strategy. The purpose of the CCTV strategy is to:

- Provide a clear vision and framework for how CCTV can best be used to enhance the safety and security of our community;
- Position the City for future technological advances;
- Ensure adherence to relevant legislation, standards and guidelines;
- Provide for collaborative opportunities with key stakeholders.

The City may develop such internal processes and management practices as it considers appropriate to implement this policy and to give effect to, and ensure consistency with, the relevant provisions of related Legislation.

Definitions

"CCTV" means any combination of cameras, lenses video/digital recorders and/or accessories installed for the purpose of monitoring and recording visual activity

Policy statement

This policy outlines the City of Bayswater's position in providing a Closed Circuit Television (CCTV) system that assists in decreasing crime and anti-social behaviour, protecting community assets and improving the detection of crime and conviction of offenders.
