Policy Statement

1. For the purposes of this policy, “minor works” is defined as work with a value of equal to or less than \$1,500. It does not include equipment or routine maintenance works. Examples of minor works may include providing sand for long jump pits or playgrounds, plants or trees for installation, installation or removal of goal posts, inspections of playground equipment in accordance with Australian Standards, or funding for murals or artwork visible to the public.
2. The City will consider requests from schools for minor works.
3. The City may contribute up to 100% of the cost of minor works on school grounds, whether cash or in-kind.
4. The level of funding, whether cash or in kind, provided to any individual school shall not exceed \$1,500 in any calendar year.
5. The Director Infrastructure and Assets shall assess and make a determination with respect to the provision of in-kind support for schools within the parameters defined by this policy.
6. Any request for a cash contribution towards minor works will be referred to Council for consideration.
